

PRODUCT INFORMATION & DATA PAGE

EEM Data Page Section consists of a company's data page(s). Products must be manufactured by or branded by the advertiser and a published print or online specification sheet must be available for verification. Verification documentation must be sent to the **EEM** editorial department for review. All products that appear on Advertisers purchased data page must be relevant to the family & section in which it is placed. The minimal requirements for a product page must include:

Product Specifications:

- Electrical Characteristics
- Mechanical Specifications
- Description of Features
- Physical Dimensions

Applications Information

Manufacturer Information

- Address
- Phone/Fax
- Website

Graphics:

- Photo
- Illustration or Drawing
- Charts

No Display Advertisements Permitted in this section

ADVERTISER PROOFS

PDF Proofs are sent to advertisers and/or agencies for approval when time permits. The proofs must be returned by the deadline date.

Advertisers are cautioned to check page proofs completely for accuracy.

*** All PDF requirements can be obtained on EEM2.com or by calling the EEM production department 516-227-1325**
